Acknowledgement

We wish to express our thanks to all participants of the conference and to everyone who has made this conference possible.

We are honored to acknowledge all those valuable people, starting with the members of the Scientific Committee to all the keynote speakers -Howards Davis, Zafer Ertürk, Nabeel Hamdi, Süha Özkan, Marcel Vellinga and Atilla Yücel. We would like to express our deepest gratitude to Abdullah Öztoprak, the Rector of EMU and to the members of the conference advisory board-Şebnem Önal Hoşkara, the Dean of the EMU Faculty of Architecture, Türkan Ulusu Uraz, Chair of HERA-C, and the Pratyush Shankar, Secretary of ISVS who always supported us through this important event. They enlightened the importance of the conference on the announced theme and committed to conduct such an academic event. We are, therefore, very grateful for their encouragement and the support they have given.

This conference would not have been possible without the support of our sponsors including: the Presidency of TRNC, the Ministry of Foreign Affairs, the Ministry of Public Works and Transport, the Ministry of National Education and Youth. It is also our pleasure to take the support of M. Candemir Construction Ltd.

Finally our thanks goes to many other supporters including our families and colleagues who, even though their names are not in the organizing committee.
